### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In view that neither of the cited references, in an IDS submitted on 01-12-05, teaches a yarn making process comprising twisting or wrapping<sup>a</sup> second fiber<sup>^</sup> around a bundle of fibers, wherein the second fiber "*consisting essentially of a blend of a second base fiber and a heat-activated binder material*" (emphasis added), where the binder material is heat-activated, the claims are allowable.

This reason for allowance is essentially identical with the one indicated during a telephone interview with Counsel on 09-27-04.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sam Chuan C. Yao whose telephone number is (571) 272-1224. The examiner can normally be reached on Monday-Friday with second Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Blaine Copenheaver can be reached on (571) 272-1156. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
